

- Tables can have a maximum of 2 households together (max amount of people per table = 30)
- Loud and noisy tables will be asked, politely, to leave as loud speech and laughter can accelerate the spread of Covid 19
- Hand sanitizers will be provided near to the entrance to the restaurant, on the tables and in the toilets. We would kindly ask you to sanitise your hands before and after your meal to ensure the environment is as clean as possible
- There is a limit of 2 people to congregate in the toilet area at any one time. If there are 2 people in the toilet area, please be patient and wait at your table for the area to clear
- Toilets will be cleaned and sanitised every 30 minutes
- Tables will not be set prior to customer arrivals and will only be set after a meal has been ordered to allow for the monitoring of clean glasses, cutlery and crockery from the kitchen and bar
- Our staff will be wearing masks at all time and will try their best to maintain a safe distance
- Staff wellness sheets will be completed by all staff prior to starting a shift to ensure the limiting of Covid 19 spread. Staff displaying any symptoms will be excluded from working in the restaurant
- You may encounter extended waiting times for your food to be delivered to ensure safety distancing in the kitchen and for the deep cleaning of cooking utensils and food preparation surfaces at regular intervals
- Fewer menus will be available to each table and they will be sanitised after each use
- 'Walk – in' customers will be asked to leave contact details such as a phone number or an e-mail address for contact if an occurrence of Covid 19 is linked to the restaurant. N.B this data will be destroyed after 3 weeks, will not be used for advertising and will not be sold or passed on to any marketing organisation or similar company.

We are sorry if these guidelines cause you concern, but our only wish is to protect all our customers and staff during these complex times.

Thank you for your co-operation and do enjoy your visit to woksoever
